

# **FAMILY ACCESS**

Family Access enables parents and/or guardians with students in Grades 1 through 12 to view information about their student(s). They may view student Information that includes demographic, family, emergency contact, and bus route information. Parents and/or guardians with students in Grades 3 through 12 can also view attendance, student schedule, and grades. Students' meal purchases may also be viewed by parents by selecting the 'Food Service' tab within Family Access. Skyward is a web-based program that can be used from any computer connected to the internet, 24 hours a day! Through this system you can have instant email access to your child's teacher. Also sign up to receive email notifications when your child has a missing assignment, class grade falls below a designated threshold, and when your child is marked absent or tardy for class.
